

CHASSIS BRACKETS & TABS

All of the MW brackets and tabs listed below are manufactured from 1/8" thick 4130N chromoly steel, except for 10010 and 15010 which are 3/16" thick and D5 which is 1/16" thick chromoly.

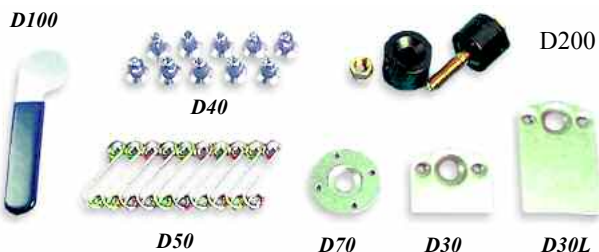

10010 Mounting Tab for Clevis (5/16" hole)7.19

15010	Torsion Mounting Brackets, 3/16" (set of 4)	.46.00
	<i>For 34002 3" drop x 40" centers</i>	
D11	Anti-Rotation Tab (3/8" Hole)	13.20
D12	Chassis Radius Rod Mount Bracket	5.40
D1A	Small Motor Mount Tab (3/8" Hole)	3.45
D2	Large Flat Mount Tab (3/8" Hole)	4.07
D20	Large Motor Mount Tab (No hole)	13.83
D21	Small Flat Mounting Tab (3/8" Hole)	1.65
D26	Weld-In Clevis for 7/8" Tube (3/8 Rod End)	3.69
D5	Steering Wheel Mount Plate	4.25
D150	Motor Mount Clamp, 1-1/2" (ea)	7.00
	<i>Fits 1-1/4" to 1-1/2" diameter tubing. Quantity pricing available.</i>	
QTL	Frame Rail Tail Light	88.50

DZUS FASTENERS & TOOLS

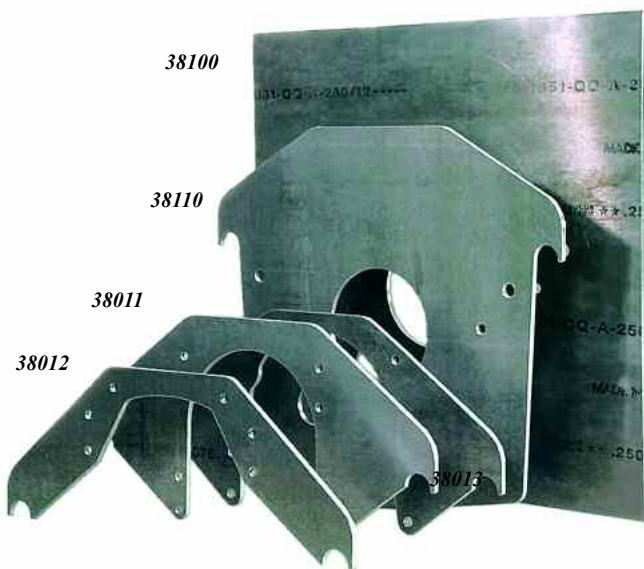

Dzus fasteners are the most widely accepted method of securely attaching aluminum body panels, fiberglass panels, seats, etc. MW stocks the popular buttons, springs, tabs, and panel doublers along with the proper dimpling, and installation tools, and button wrench.

D30	Dzus Mounting Tab, (ea)	.98
D30-100	Dzus Mount Tabs, (pack of 100)	61.95
D30L	Dzus Mounting Tab, 3" Long (ea)	1.10
D30L-100	Dzus Mounting Tab, 3" Long (100)	61.95
D40	Dzus Buttons, Steel (10 ea.)	17.59
D40-100	Dzus Buttons, (pack of 100)	150.80
D50	Dzus Springs, (pack of 10)	13.52
D50-100	Dzus Springs, (pack of 100)	101.39
D70	Panel Doubler (Round)	71
D100	Dzus Button Wrench	9.00
D200	Dzus Dimpling Tool	22.50

ENGINE MOUNTING PLATES

All MW engine mounting plates are manufactured from 1/4" thick 7075-T6 aluminum plate and CNC machined with common crankshaft centerlines to ensure exact fit and interchange-ability even from one engine make to another. Semi-Finished plate Has the 6" crankshaft hole, dowel pin, and 2" vent holes.

38010	Engine Mount Plate Blank	87.15
	<i>12" x 24" Front blank. 1/4" thick (no holes)</i>	
38100	Rear Engine Mount Plate	200.00
	<i>24" x 24" Semi-Finished with crank and vent holes and choice of dowel pin holes. 1/4" thick.</i>	
38115	Rear Engine Mount Plate	235.00
	<i>For Funny Car and Altered with crank and vent holes. Milled for 1 1/2" tube size. Choice of dowel pin holes. Top section is not profiled. 1/4" thick. (photo not shown)</i>	
38110	Rear Engine Mount Plate	235.00
	<i>For Dragster with crank and vent holes. Milled for 1 1/4" tube size. Choice of dowel pin holes. 1/4" thick.</i>	
38011	Front Engine Mount Plate	103.38
	<i>Small Block Chevrolet for Dragster & Funny Car. 1/4" thick.</i>	
38012	Front Engine Mount Plate	125.00
	<i>Late Model Chrysler for Dragster and Funny Car. 1/4" thick.</i>	
38013	Front Engine Mount Plate	125.00
	<i>Big Block Chevrolet for Dragster & Funny Car. 1/4" thick.</i>
